

To All Pine Mountain Lake Property Owners,

You Are Cordially Invited to Participate in the 40th Annual Mother Lode Invitational June 22nd, 23rd and 24th.

The Mother Lode Invitational Committee has planned the 2017 event with many of the popular features as in the past. The format will again be a 2 Man Team Event with Gold and Silver Flights.

New for 2017

Players will be able to play from a forward set of tees if their handicap index is 19.2 or higher. Partners can be on the same team and play from a different set of tees. We are hoping that this change will encourage players who have not played in the event for some time now due to the length of the Gold tees, to play again. We will still use the same formula (total team handicap) to determine which flight a team will be in (Gold or Silver).

There are 3 options to enter a team;

- Property Owner/Guest
- Property Owner/Property Owner
- Guest/Guest (guests must be sponsored by a Property Owner)

Again this year will be including a tee prize for every participant, and a Short Game Obstacle Course on Saturday morning and a Closest-To-Hole Shootout on Friday afternoon. The Horse-Races will again be a part of the event with 4 places being paid in the finals. So if you make it into the horse-race finals you are guaranteed to win something.

We are looking forward to a weekend of fun in the sun, we hope you will be able to make plans to join us. There has been a lot of interest in this year's event so please get your entry in as soon as possible to guarantee a spot for your team.

The Mother Lode Invitational Committee

3/22c/17 mc

2017 Mother Lode Invitational

Sponsored by Harris Ranch, Evergood Fine Foods, Pine Mountain Lake Golf & CC
