To All Pine Mountain Lake Property Owners,

You Are Cordially Invited to Participate in the 48th Annual Mother Lode Invitational June 25, 26 and 27, 2026.

The Mother Lode Invitational Committee has planned the 2026 event with many of the popular features as in the past. The format will again be a 2 Man Team Event with Gold and Silver Flights. We will again feature the Stableford format which we first played in 2019.

Again for 2026

- 1) Players will be able to play from a more forward set of tees (Purple Tees), if their low handicap index is **19.6 or higher**. Partners can be on the same team and play from a different set of tees. Note: If a player is eligible and elects to play from the (Purple Tees), his handicap will be reduced as a result of playing from a more forward tee. Based on the current handicap system, an eligible player's handicap will be reduced by at least 3 strokes when playing from a more forward tee. We will still use the same formula (total team handicap) to determine which flight a team will be in (Gold or Silver).*
- 2) Players can register & pay online at www.pmlmqc.com. Click on the **Mother Lode Entry** tab.*

New in 2026

Better Ball of twosome on Friday, Both Balls count on Saturday; Stableford scoring both days.

There are 3 options to enter a team;

- Property Owner/Guest
- Property Owner/Property Owner
- Guest/Guest (guests must be sponsored by a Property Owner)

This year the tee prize gift card of \$75.00 per player will be a little different, players will be able to spend their certificate in the PML Golf Shop on any type of merchandise anytime during the event. We will again have the Short Game Contests on Saturday morning and a Closest-To-Hole Shootout on Friday afternoon. The Horse-Races will again be a part of the event with 4 places being paid in each Flight. If you make it into the Horse-Race finals on Saturday you are guaranteed to win something.

We are looking forward to a weekend of fun in the sun, we hope you will be able to make plans to join us. There has been a lot of interest in this year's event so please get your entry in as soon as possible to guarantee a spot for your team.
